Live Your Dream – Education and Training Awards for Women

Soroptimist's signature program, the **Live Your Dream Award**, helps women who are the primary income earners in their household by giving them access to education and with it, the tools to achieve their dreams. Since 2016, Soroptimist International of Chilliwack is proud to have given out over \$30,000 to the recipients of Live Your Dream Award. The awards are given to our winners annually at the Pajamas & Pearls event.

Dream It Be It Educating Girls

Experts say educating girls is a major key to improving the global standard of living. We agree. That's why our programs focus on promoting education for girls.

Dream It Be It – inspires teen girls – through ongoing workshops, conferences, and mentoring – to explore different careers, create achievable goals, and discover their dreams. Soroptimist of Chilliwack also mentors and builds relationships with teen girls. With an annual budget of \$5,000 to run these essential programs, we need your help to continue to offer this amazing program to support girls in our community.

Heather's Hope Chest

Our newest project provides household items for women and young girls transitioning to a life on their own. Located in a rented storage locker at Access Storage, our Hope Chest is set up like a mini store.

By using items donated by downsizing seniors, friends of Soroptimists, and other donors, our recipients will be able to 'shop for free' for the items they need.

Women and girls in our community can be referred to us from our partner social service agencies and can select items from **Heather's Hope Chest** that will transform their new place into functional and comfortable homes.
